TRACKS 2000 LEAGUE NOTES – BURGESS HILL - MAY 2nd / 3rd 2015

We recommend that all competitors, coaches and officials are conversant with the information contained in the notes below.
Please ask for clarification if required.

• For the purposes of a smooth and continuous running timetable and reasonable finish times, the League qualification events will run with panels operating autonomously throughout both days.

• Competitors do not need to be checked in.

• Any competitor substituting into competition who is not already listed in an event on either day must abide by the rules stated in the handbook and must show a current BG membership card to the Head of Events who will facilitate the substitution.

• Coaches must submit difficulty cards to the relevant Panels by the beginning of general warm up. Please make sure that the difficulty card is completed in full, the required moves have an * and that the difficulty has been calculated

• All listed officials must check the official's notes for meeting times and other relevant information.

• Please note that the organisers reserve the right to run one hour ahead of scheduled time.

• Competitors are not permitted to change their scheduled flight.

• The warm ups have been timed to allow a minimum of four warm ups prior to 'one touch' for League 3 and five warm ups for League 2, 1 and Open. We do not however guarantee these numbers of warm ups.

• Warm up will be general and will last for as long as the time specified in the timetable unless every competitor in the group has had sufficient warm up in which case general warm up may be reduced.

• The 'one touch' will commence after the completion of general warm up and once the group have been placed in competition order.

• Competitors must be ready with spotters in place for competition.

• The final for each event will be immediately following the preliminary rounds.

• Those competing in the final will receive a minimum of one further warm up. In groups where there are two or more flights, competitors from all but the last flight may take two further warm up goes.

• Presentations will take place at the conclusion of each event. All medallists are required to be present in competition attire for the ceremony.

• Results will be accessible live on the Tracks 2000 website http://results.andrewjdwood.com/ We will also post hard copy results on the wall immediately following each event.

Officials Notes

TRACKS 2000 NOTES FOR OFFICIALS – Burgess Hill 2015

Dear All
Thank you for volunteering your services at the first of the Tracks 2000 Trampoline League events for 2015 in Burgess Hill on Saturday 2nd and Sunday 3rd May. Your input and support is vital for the success of the competition and the league, and is greatly valued. Your input and support is vital for the success of the competition and the League.

Please find below a few notes to help you with your League role.

- Almost all officials that were nominated on entries have been used for this competition. On Saturday most Form judges on trampoline panels change during the Officials Break. If you were nominated for two days, please check panels for both days for your allocation.
- If you have any difficulty undertaking the role, or the times, that you have been assigned, please advise the judge co-ordinator immediately, and we will endeavour to resolve.
- If your plans change and you can no longer attend, please arrange a substitute with a similar level of experience to yourself so that they can undertake the roles that you have been assigned, and advise the competition committee. If you are genuinely unable to find a substitute, please advise the organising committee so that reserves can be primed for the session.
- There will be a meeting for Chairs of Judges and Panel Managers / marshals 15 minutes prior to the start of the first warm up on each day. Chairs will be provided relevant information to disseminate to their panels.
- On arrival can all officials please check in with the Officials co-ordinator – reserves will need to check in also – on past evidence, you are likely to be used.
- Judges should be seated on their panels at the beginning of the warm up session for the first flight that you are to judge in order to undertake trial judging before the competition, at the direction of the Chair. For those officials beginning their competition in the afternoon session, you should check in with the chair of judges and be seated for the start of the afternoon warm up session to undertake the same.
- Judges and recorders attire – Navy or Black trousers/skirt and navy or black blazer. White collared shirt. Officials should not wear club or regional colours or tracksuits, but should look impartial. Panel Managers – sports attire – ie polo shirt, tracksuit and trainers.
- Chairs – please ensure that you have flat shoes – your knees, and our mats, will appreciate it.

Notes for Chairs

- Each panel will work independently in order to make good progress through the day. The competition may run up to one hour early, but cannot advance more than this time.
- Changes of flights are not permitted. If there are extraordinary circumstances, these should be brought to the attention of the competition organiser.
- The warm up time for each flight has been calculated, and should not be curtailed other than with the agreement of all performers and their coaches. Panel Managers should take responsibility for timing these warm up sessions. The one-touch warm up is part of the calculated competition time – not the warm up time.
- Once each competition has finished, chairs should check the results, and once signed off, Chairs should nominate one person from the panel to present medals to the groups that has just completed. The medal presentation can take place as soon as the results have been signed off as correct.

Please ensure that you are fully aware of how to do the job you have been asked to do. It is the club's responsibility to support you and ensure that you know how to do this job not the competition organiser or judging co-ordinator.
