# LEAGUE FINALS 2024 INTRODUCTION

Dear All,

Welcome to the Pre-Competition Information pack for the 2024 Trampoline, DMT & Air Track Tumbling League Finals. NB all entries for Finals are due by Wednesday 2<sup>nd</sup> October.

This year's Finals event will for the first time since pre-covid revert to our original format of preliminary rounds on the Saturday, and finals on the Sunday. There will however be exceptions to this with some events being held on Sunday only. We will inform you of the broad timetable in good time to buy your online spectator tickets.

2024 has been a historic year for the Trampoline & DMT League with the inclusion of the first ever Air Track Tumbling event in Cardiff. Tumble Events will be joining us at the Finals, and we look forward to a successful collaboration in future.

This year has also seen us surpass the entries of all qualification events for previous years, and we have posted almost 4000 entries. These remarkable figures are testimony to your enthusiasm for our League provision and your enjoyment of our unique League features such as year of birth competition for larger age groups, prize money and our exciting DMT and Trampoline Cup events, plus the inclusion of air track tumbling.

This success has been bittersweet as 2024 has also seen the Trampoline & DMT League take a large financial hit due to the destruction of some matting and trampoline and DMT equipment by fire, whilst in transit in July. We have been touched by your generosity so far in helping us through our GoFundMe appeal to recoup our losses and ask you again to help if possible. We would like clubs to ask their competitors to add a voluntary £5 per entry to their entry costs which will go directly to replacing our destroyed equipment.

We hope you will join us at this year's Trampoline, DMT and Air Track Tumbling Finals in Derby where every competitor will be celebrated. In readiness for the forthcoming event, we have curated this document as part of our preparation. The League Facilitation Team (LFT) is dedicated to disseminating the competition information in a timely and efficient manner and are committed to providing full competition information no later than Monday October 14<sup>th</sup>, plus interim timetabling updates.

Should you have any questions please feel free to contact the League Facilitation Team at [hello@trampolineleague.com](mailto:hello@trampolineleague.com).

We wish to express our gratitude to our 2024 main sponsor, Milano Pro Sport. Their support and presence offering their exceptional gym wear significantly enhances our events. We also wish to acknowledge our partners: Sports and Leisure Services, Gymaid, Move Pro-Sport, Extra Hot Communication, and DCPM Consultancy LTD.

Yours in Sport,

The League Facilitation Team
