# WELCOME TO CARDIFF

## 27TH & 28TH JUNE 2026

**We recommend that all competitors, coaches and officials are conversant with the information given below. Please ask for clarification if required.**

- The final 2026 League Qualifier is yet another very large event. Andi Revell and Jayne Armitage are our Competition Organisers for this event and will be present to help you on the competition floor along with Wayne Smith and Sue Lawton from the League Facilitation Team.
- We have attempted to avoid any cross competing, but mistakes can happen, so please check every group your competitors have entered and let us know asap at [competitions@trampolineleague.com](mailto:competitions@trampolineleague.com) if anyone is down to compete at the same time in two different events. It has been particularly complex for this event, and some competitors will be moving between disciplines for preliminary events and finals. Please check your competitors carefully as some TRI, TRS, DMT, DT and TUM events overlap. Where this occurs, competitors have been drawn in flights to avoid a clash.
- Due to the complexity of timetabling of this event, the DT categories are later than usual in the competition day. We apologise for any inconvenience caused.
- There is on-site parking at a modest fee.
- We will have on sale our 2026 League merchandise and you will also have an opportunity to view the League Finals merchandise design.
- There will be a spectator card entry fee of £8.00 per adult with children under 14 free. Anyone paying by cash will be required to pay a spectator entry fee of £10.00 - please arrive with the exact fee as no change will be available.
- For the purposes of a smooth and continuous running timetable and reasonable finish times, qualification rounds and finals will run with panels operating autonomously throughout both days with presentations for all events taking place at the conclusion of each competition group.
- Competitors and clubs do not need to be checked in.
- Any competitor substituting into competition who is not already listed in an event on either day must abide by the rules stated in the handbook and must show a current governing body membership card to the Competition Organiser who will facilitate the substitution.
- Coaches must submit difficulty cards to the correct Panels by the beginning of general warm up. Please make sure that difficulty cards are completed in full, and if necessary required moves have an \* and with difficulty calculated.
- All listed officials and reserve officials must check the official's notes for meeting times and other relevant information.
- Please note that the organisers reserve the right to run **one hour** ahead of scheduled time.
- Competitors are not permitted to change their scheduled flight.
- Warm up will be general and will last for as long as the time specified in the timetable, unless every competitor in the group agrees they have received sufficient warm up, in which case general warm up may be reduced. The 'one touch' will commence **after** the completion of general warm up.
- All TRI finalists will receive at least one further warm up prior to competing in the final. Finalists from groups where there is more than one flight will receive two warmups, unless they competed in the last qualification group prior to finals, in which case they will receive one.
- Competitors must be ready with spotters in place for competition.
- Results will be accessible live on the League results website.
- Anyone interested in reserving 2026 League equipment to buy following League Finals in October, please speak to Wayne Smith at the event or contact via email. We have great deals and payment plans available.
- We hope you enjoy the event, and we welcome your feedback at – [competitions@trampolineleague.com](mailto:competitions@trampolineleague.com)

# DMT CUP RULES

## INTRODUCTION

The DMT Cup is the League's exciting knockout style DMT event which replaces the Super League DMT Final. The top 8 highest preliminary scorers from the Male and Female Super League DMT events are invited to participate free of charge.

### Eligibility

Eligibility is through entry into the Super League DMT events, though there is no compulsion to take part. If a top 8 ranked competitor does not wish to participate, the next ranked competitor will be invited. The rankings determine the position on the tree and therefore the sequence of competition. The lower ranked of the competitors will always compete first.

### Prize Money

A cash prize will be awarded to the winner only with no prizes for lower ranked competitors.

### Scoring

FIG scoring will be used and for all three rounds scores will be from 10.0. Difficulty cards are not required for any of the three event rounds but are appreciated.

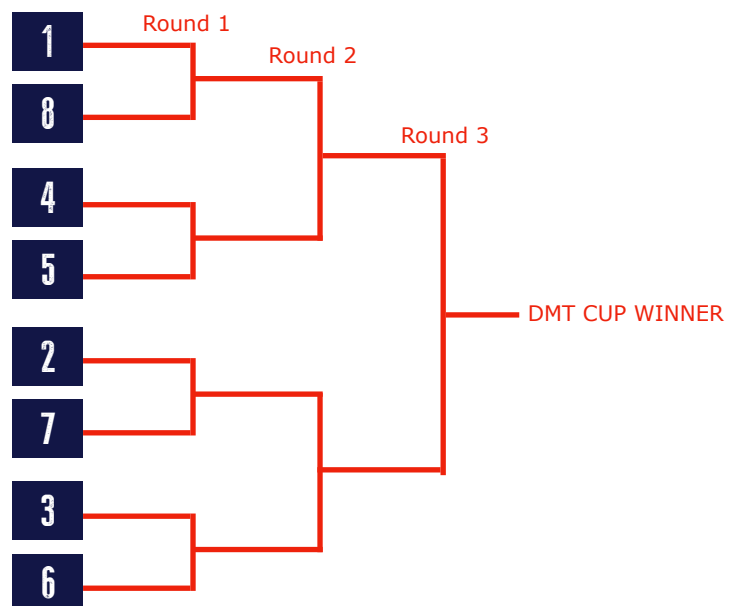

## COMPETITION FORMAT

Competitors compete with one exercise each and the competitor with the highest score will progress to the next round. As this is a standalone competition competitors may repeat elements that they used in the League events without penalty.

Competitors cannot however repeat elements used in earlier rounds of the DMT Cup, i.e. a competitor will need to use up to 3 different exercises in the DMT Cup. In the event of a tie, the highest ranked competitors from the preliminary rounds will progress.

# OFFICIALS NOTES

## INTRODUCTION

Thank you to all of the officials who have volunteered to assist at this event. Your help and support is invaluable in providing amazing competition opportunities to every competitor taking part this weekend. Please see below for some important updates for all officials.

### Officials Meeting

Officials meetings will be at 9:30am on Saturday and 8:30am on Sunday. The meeting will take place by the Trampoline panels. Please ensure that all officials attend this meeting, including reserve officials. Officials will then report directly to their panels for trial judging and a briefing by the Chair of Panel.

### Officials Attire

Officials are reminded to wear a black or navy trousers/skirt and white shirt/blouse, whilst controllers are requested to wear attire suitable for the field-of-play. Please do not wear any clothing branded to any club whilst carrying out an officials role at the event. Officials also need to bring their own pen!

### Officials Refreshments

Refreshments will be available for all officials, but please remember to bring your own refillable cup! Lunch will be provided for every official, details will be provided at the event. Any officials with dietary requirements should email as far in advance as possible.

### Officials Unavailability

We do understand that sometimes an official cannot attend an event for various reasons. Should this be the case, please remember it is the responsibility of the club to provide a suitably qualified replacement or risk entries being reduced to guest status and no points allocated. Please send across any changes to officials with as much notice as possible.

### Officials Half-Days

We know that League events can be long days! Therefore, if another suitably qualified official from your club is willing to swap with you half-way through the day this can be arranged, however please note that the same judging panel must judge all flights of the same age group.

### Officials Training

Please remember that it is not suitable to train officials on the day of the event. Please make sure to prepare your officials for the role they are going to be carrying out and the responsibility that they will have during the day - this includes being in attendance all day! Anyone selected as a Chair or Difficulty Judge should make sure to fully read and understand the requirements for each event that you will be part of, and bring copies of the requirements where needed.

## OFFICIALS ROLES

There has been a series of new roles created this season - please see below for an explanation of these roles.

### Floor Controller

This position replaces Competition Marshalls and instead will check that all gymnasts are present and then keep the area around each panel clear, helping to make sure the competition runs smoothly.

### Results Team

The Results Team are stationed backstage, collecting and collating results from each panel to help prepare presentations. They will assist the Results Manager to ensure each set of results is verified by the Chair before medals are awarded.

### Presentations Team

The Presentations Team will announce results, deliver presentations and distribute awards throughout the day. Presentations Team members should arrive in full judging attire in order to portray a professional appearance at presentations.

### Front of House Team (Arrive 30 minutes before Doors Open)

The Front of House Team will help to manage the entry and exit to each event, selling spectator passes and directing spectators and gymnasts to the right area of the arena. The Front of House Team will also assist with officials catering.
